Mr. Philip Young, Chairman  
U. S. Civil Service Commission  
Washington 25, D. C.

Dear Mr. Young:

Reference is made to your letter of August 4, 1954, requesting Executive Departments and Agencies to submit recommendations for items to be included in the Commission's legislative proposals. Although we are considering some problems which may later require legislation for this Agency, we have no specific recommendations for general legislation in the personnel management field to submit at this time.

Very truly yours,

  
Acting Deputy Assistant Director  
for Personnel
